Uninsured Motorists Coverage provides insurance protection to an insured for compensatory damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle because of bodily injury caused by an automobile accident. Also included are damages due to bodily injury that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

Underinsured Motorists Coverage provides insurance protection to an insured for compensatory damages which the insured is legally entitled to recover from the owner or operator of an underinsured motor vehicle because of bodily injury caused by an automobile accident.

Your policy must include Uninsured Motorists Coverage at limits equal to: (1) split limits of \$25,000 for each person, subject to \$50,000 for each accident with respect to bodily injury; or (2) a single limit of \$50,000 for each accident, UNLESS you select optional higher limits.
